GABRIEL ISAAC

FRONTEND WEB DEVELOPER

PROFESSIONAL SUMMARY

A Frontend-focused Web Developer with a keen eye for building responsive, user-centered applications with HTML, CSS, JavaScript, React.js, and Tailwind CSS. Currently advancing backend development skills through the rigorous ALX Software Engineering Program, known for its hands-on, project-based learning and strong emphasis on industry-aligned skills. Experienced graphic designer with over three years in visual design, adept in Adobe Illustrator, Photoshop, CorelDraw, and Canva, and skilled in video editing with Adobe Premiere Pro, Capcut and Microsoft Clipchamp. Possesses a unique blend of technical, visual, and creative expertise, delivering impactful, high-quality web experiences.
